

## **Moving Matters Traveling Workshop – Bucuresti – 2015.**

Bine ati venit! Alegeti o creta de orice culoare. Cu totii ne-am nascut undeva, candva. Va rugam sa marcati acest loc si data nasterii pe harta cu culoarea aleasa. Apoi alegeti oricare si oricat de multe sau putine dintre optiunile de mai jos:

- marcati primul loc, alt loc, in care v-ati gandit prima data ca ati putea trai sau calatori si cum ati fi facut aceasta calatorie.
- marcati prima mutare importanta din viata si modul in care ati facut-o, unind cele doua locuri. Continuati ruta mutarilor, daca au existat mai multe, si desenati cum doriti aceste rute, fiind atenti la interactiunea cu ceilalti si la locurile sau timpul in care v-ati fi putut intalni.
- marcati locul in care ati dori sa fiti/traiti acum si modul in care ati calatori pana acolo.
- unde si cand v-ar fi placut sa va nascuti? - marcati locul si data aproximativa.
- unde s-au nascut parintii dumneavoastra?
- unde v-ar placea sa va petreceti ultimele zile din viata/ unde v-ar placea sa muriti?
- marcati locul cu care simtiti ca aveti cea mai mare conexiune, chiar daca nu ati fost niciodata acolo, si desenati cum va imaginati conexiunea
- unde sunt prietenii si cei dragi? - indicati toate locurile in care se afla, si legaturile dintre dumneavoastra
- daca ar fi sa va mutati maine, unde v-ar placea sa mergeti/ care ar fi urmatoarea destinatie in care ati trai?
- schimbati orice doriti sa schimbati pe harta. Acum puteti.

Va multumim !

Welcome! Pick a chalk of any colour. We've all been born somewhere, sometime. Please mark the place and the date on the map with your chalk. Then, please chose as many options as you want from the following:

- mark the first place that you ever thought you may travel or live in, and how would you travel to it.
- mark first important moving in your life, and how you did it by uniting in any way you seem fit the two places. Continue with the routes of successive movings, and draw the routes however you want, being attentive at how they may intersect others' in space and time.
- mark the place where you'd like to live, and how would you travel there.
- when and where would you have liked to be born? Mark the place and approximate date (year).
- where were your parents born?
- where would you like to spend the last days of your life/ where would you like to die?
- mark the place with which you feel the strongest connexion, even if you have never been there.
- where are your friends and loved ones? Mark your links with them on the map.
- where would you like to go from here? How?
- change what you would like to change on the map. Now you can.

Thank you !
